

Standard features include:

- Driver's and passenger's fascia-top stowage compartments with lids
- 12-volt power point on driver's side
- Central storage for A4 binder or clipboard
- Equipped with driver and outer front passenger airbags.
- Centre-mounted car park ticket/toll holder
- Facia-mounted swivelling tray with two cup holders and pen slot
- Glovebox with rails designed to take A4 hanging files
- Two 2-litre bottle holders
- Driver's-side door pocket

Models

9, 12, 15 and 17-seat models are available – each of which enjoys a reputation for dependability, comfort, class-leading safety and superb Ford handling. Safety features include anti-lock brakes (ABS), Electronic Stability Programme (ESP) with Hill Launch Assist (HLA), driver's and front outer passenger airbags and a Schedule 6 pack, including a first aid kit, fire extinguisher, emergency door decals and more as standard. For comfort, there's a choice of CD systems, a Quickclear windscreen*, whisper-quiet heating and electrically-operated windows and mirrors*.

Series

A revised, simplified series line-up now offers you more standard features on Transit Minibus.

Choose from the Transit Minibus, with a range of new standardisations, or Transit Minibus Trend with its superior features.

The 17 seat Transit minibus

Built on a long extended length long wheelbase (17-seat) each version has a medium roof configuration with an optional high roof configuration on 17-seat for maximum interior space.

Key features:

Standard features

- Left-hand and right-hand passenger sliding doors
- Twin opening rear doors
- Rear step
- High roof option
- Anti-lock braking system (ABS) with electronic brake-force distribution (EBD)
- Electronic Stability Programme (ESP) with Hill Launch Assist (HLA)
- Three-point lap and diagonal inertia reel seat belts
- Driver's and outer front passenger's airbags*

- Dual front passenger's seat with height-adjustable head restraints
- Powerful, quiet heating and ventilation system with air recirculation facility
- Choice of high-quality Ford audio systems and satellite navigation**
- Schedule 6 Pack including first aid kit, fire extinguisher, A-pillar and sliding door passenger assist grab handle, emergency door decals, side and rear door step illumination
- Remote central locking
- Rear wiper and heated rear windows
- Dark tint on side and rear windows

Series options

A new and simplified series line-up has been introduced across the Transit Minibus model range to provide you with a cost-effective and convenient way to get the features and options to meet your needs:

Engines

Choose your engine from:

- 17-seat Minibus (medium roof / high roof)*
- Engine Power/torque Driveline Transmission
- 2.4 Duratorq TDCi 100 PS/285 Nm RWD 5-speed manual
- 115 PS/310 Nm RWD 6-speed manual
- 140 PS/375 Nm RWD 6-speed manual RWD = Rear Wheel Drive

* Engine choice applies to both Transit Minibus and Transit Minibus Trend.

Cleaner-air engines

All engines comply with Stage IV emissions legislation. Stage IV is the latest legal requirement needing 50% reductions in oxides of nitrogen (NOx) and 40% reductions in particulates below previous Stage III levels.
